Overview of this information collection:

- (1) Type of information collection: Extension of currently approved collection.
- (2) The title of the form/collection: *Public Safety Officers' Educational Assistance*
- (3) The agency form number, if any, and the applicable component of the Department

sponsoring the collection: None. Bureau of Justice Assistance, Office of Justice Programs, United States Department of Justice.

- (4) Affected public who will be asked or required to respond, as well as a brief abstract:

Primary: Spouses and/or children of public safety officers who were killed or permanently and totally disabled in the line of duty.

Abstract: BJA's Public Safety Officers' Benefits (PSOB) Office will use the PSOEIA application information to confirm the eligibility of applicants to receive PSOEIA benefits. Eligibility is dependent on several factors, including the applicant having received or being eligible to receive a portion of the PSOB death benefit, or having a family member who received the PSOB disability benefit.

Also considered are the applicant's age and the schools being attended. In addition, information to help BJA identify an individual is collected, such as Social Security number and contact numbers and e-mail addresses. The changes to the application form have been made in an effort to streamline the application process and eliminate requests for information that is either irrelevant or already being collected by other means.

Others: None.

- (5) An estimate of the total number of respondents and the amount of time needed for an average respondent to respond is as follows: It is estimated that no more

than 150 new respondents will apply a year. Each application takes approximately 20 minutes to complete.

- (6) An estimate of the total public burden (in hours) associated with the collection is 33 hours. Total Annual Reporting Burden: $150 \times 20 \text{ minutes per application} = 3000 \text{ minutes}$ / by 60 minutes per hour = 60 hours.
